

GRP Window Cill

Features

- * Maintenance Free
- * Very easy to fit
- * Textured to give an authentic finish
- * Variable sizes available
- * Available in any colour
- * Brings a tired cill looking like a new cill

Description

A chipped and tired cill can be clad with a fresh looking, authentic and long lasting GRP cill.

Cost effective, no need to remove old cill as this product fits over existing, hence saves labour time.

This product is only available on large refurbishment projects due to the need for specific tooling.

Any size available
this product is made to order
