

Flat Angled Lead Effect Bay Top

Scalloped Roof

- Features**
- * Fits angled bays
 - * Scalloped/straight edge
 - * Soffit, fascia and roof colour to be confirmed when ordering
 - * Easy to fit
 - * Option to insulate

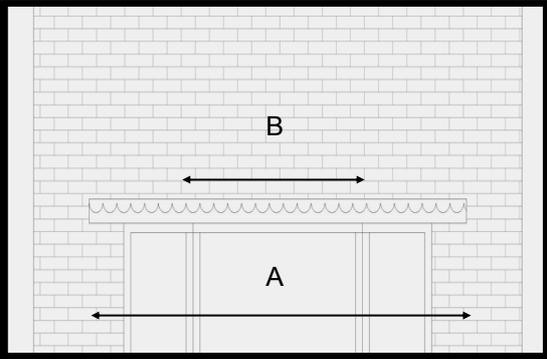

Straight Edge Roof

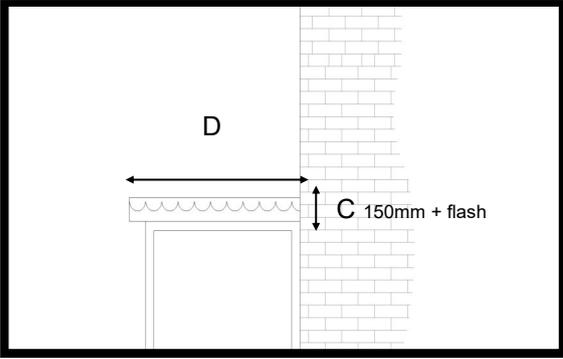

A practical alternative to timber bay tops. Manufactured with either a scalloped or straight edge to fit with the house style.

Easy to fit over an existing bay to add a weather resistant finishing touch.
