- \* Cost effective
- \* Easy to fit

## Description

As you can see from the before and after photos, this product will transform the frontage of any house to get an authentic finish, this product is moulded from real rosemary tiles.

Flat bay tile cladding is moulded in a one piece unit, hence very easy to fit, and even with kids throwing small stone chippings it will not fall apart unlike traditional tiles.

The product is pre-coloured hence no need to paint and is maintenance free and will not rot.

**AFTER**
